

www.PreventMedicalError.org

TERMS OF USE:

The information on Prevent Medical Error's website is not intended to take the place of your doctor, nurse practitioner, pharmacist or other health care professionals. It is an informational resource only. Please consult your licensed healthcare provider(s) before making any medical decision. Patients under 18 years of age should consult with their parents and their healthcare provider(s) before making any medical decisions.

If you are having a medical emergency or a suspected medical emergency, please contact your health care provider, call 911, and/or go immediately to your local emergency room.

This information is not meant to serve as a recommendation, endorsement, or disapproval of any organization or company unless specifically stated as such. It is also not meant to serve as a reference for medical, legal, financial, commercial or other professional advice. Any reliance on this information is at your own risk. These materials are provided "as is" without any guarantee.

PRIVACY POLICIES:

Prevent Medical Error is committed to ensuring your right to privacy. We do not sell or otherwise use your private health information or other private information for commercial purposes. We may use your name and address for Prevent Medical Error fundraising. Please contact us if you would like to be removed from our fundraising list.

www.preventmedicalerror.org may contain links to other sites. Please be aware that PME is not responsible for their privacy practices.

All materials on this site are provided by Prevent Medical Error unless indicated otherwise. All intellectual property rights in the materials (including copyrights, trademarks, and other protections) are the property of Prevent Medical Error.

NONDISCRIMINATION:

Prevent Medical Error does not discriminate against any person on the basis of race, color, gender, national origin, disability, religion, veteran status, age, financial or other status. We are a nonprofit that advocates for and includes all patients.

COMPETING INTERESTS:

Equity income in health care companies, including pharmaceutical companies, funds Prevent Medical Error. We are happy to provide you with additional information on written request.
